

## ADDITIONAL WORK ON 2020 APEX COURSES

The list below includes the PPORA Stewardship Fund funded projects as well as all the trail stewardship work completed or underway, of which we are aware, on the 2020 APEX racecourses.

### Palmer Park Course

- PPORA Stewardship Fund - funded professional trail builder
- City of Colorado Springs Parks, Recreation and Cultural Services – trail design, trail signage system and associated trail improvements/connections
- City of Colorado Springs funded Rocky Mountain Field Institute - RMFI - construction of rock retaining walls and rock steps, maintenance of drains, and completion of tread armoring to improve overall trail stability on the Templeton Trail continuing with three workdays in October following the Race event.

- Guardians of Palmer Park work sessions and continued park funding
- Medicine Wheel Trail Advocates evening work sessions and full-day trail work September 19<sup>th</sup>

### Rampart Reservoir Course

- USFS Pike National Forest funded RMFI- forest mitigation of UNBURNED forest for the purpose of reducing fuel loads and enhancing health of riparian areas and the overall forest ecosystem
- National Forest Foundation funded through a grant from VF Corporation - Mile High Youth Corps' Front Range Stewardship Group – trail repair, restoration, and maintenance

### Gold Camp and Jones Park and High Drive Courses

- The USFS Permit Fee for Pikes Peak APEX presented by RockShox (over \$5,000) will be returned to regional trails by the USFS Pikes Peak Ranger District
- Pikes Peak APEX presented by RockShox will construct temporary bridges over all water crossings to eliminate bike wheel contact with the water in accordance with the USFS Permit requirements
- El Paso County funded RMFI for trail work on the Kineo Mountain Trail/667 in Jones Park

- CMTRA work sessions on Captain Jacks Trail including removing downed trees, trailhead cleanup, repair of forest service trail signage, purchase and installation of new share the trail signage and race day motorized volunteer support.

## All Courses

- Following all the racing, the Pikes Peak APEX presented by RockShox will repair race related trail damage on all courses.
